
ic-01: Learning GitHub

This is an individual assignment

Purpose:

The purpose of this assignment is to practice using GitHub, which we will use throughout the semester for various assignments.

Tasks:

This assignment will be completed using GitHub Classroom. Please accept the assignment with this link (https://classroom.github.com/a/xZC_ol3s) and follow the instructions in the generated repo.

Submission:

See Gradescope ic-01 for submission instructions.
